Text: Ecc 3-6

Dr. Stephen Burrell

- Everything is beautiful at the right time.
- God has put eternity in man's heart.
- Find joy in the simplest of things.
- Man and animals are the same in that they are both mortal.
- Be in community.
- A common theme of Scripture – our heart of worship is more important than our professions of worship.
- If you love more – there is never enough.
- Accept the position God has given you in life and enjoy it
- Appetites are never satisfied.
