

# EMBRACING FORGIVENESS

March 29, 2026

Text: Matt 18:23-35

Dr. Stephen Burrell

- We enjoy measureless forgiveness from God.
- Jesus is saying: our sin debt to God is incalculable.
- The king took nothing; he just forgave.
- Grace that gives favor because he chooses to, not because we perform.
- Grace is given because of the goodness of God.
- Forgiveness should be freely granted to others.
- The one who refuses to forgive is seeking dominance and control in the situation.
- Forgiveness feels like vulnerability, but it's actually trust in God's justice.
- Forgiveness is when you stop rehearsing the courtroom in your mind.
