James 1:1-18

Dr. Stephen Burrell

Be joyful.

Count it joy = welcome as friends.

Trails - test of faith (vs allurements toward sin)

Trials are a test of faith (or a test in your belief in the goodness of God)

Long term faith in God

1. Spiritual maturity.
2. Contentment

Ask for wisdom.

Wisdom - knowing how to act and react in an appropriate biblical manner.

If you doubt (the goodness of God or his counsel) and you mix it with your own counsel, you won't know which way to go.

Celebrate your current state.

Be set.

Be thankful.

God is the giver of all good.
