

Small Group Discussion

Text: James 2:1-13

These questions aren't designed to make you feel terrible or call you out. They are to help you and your group begin to examine your life based off the text and where you can grow.

What stood out to you from the Sermon?

What questions do you have from the Sermon?

Where have you seen partiality in the church? Where have you seen it in our world?

Do you think you show favoritism? Where?

Why do you think it is so much harder to fulfill the royal law (Mark 12:30-31) rather than the great commission (Acts 1:8)?

Do you feel that you are mindful of helping connect new people to the church? How could you help us a church do that better?

Where do you think our group could start in helping those in need in our community? What is a step we could do together and as a group?
