

GENESIS II – THE LIFE OF ABRAHAM

THE CALL OF ABRAHAM

May 26, 2024

Genesis 12:1-13:1

Dr. Stephen Burrell

God's call to Abram lacked specificity but required complete trust.

God is responsible for blessing and protecting.

Sometimes we think that the place of God's blessing is easy.

Sometimes we think the place of God's blessing is void of heartache or hardship.

Sometimes we think we should only experience bounty and plenty in the place God has called us to.

Sometimes God puts us right where he wants us and things don't turn out.

In the text, Egypt is pictured as the world of worldliness.

God brought him back to the place that was in famine.
