Text: Mark 1:12-20 – 2:13-17

Dr. Stephen Burrell

Many Christians feel God has forsaken them when He has us in a desert place, testing whether we will believe what God has declared over us.

There is something wrong with the faith of the believer who can't see God in the wilderness.

The attack of Satan (always the same) leads us to doubt what God has said.

Jewish education system (simplified):

- Bet Sefer (ages ~5–10): Reading and memorization of the Torah.
- Bet Talmud (ages ~10–14): Finalize memorization of the Torah, plus large portions of the Psalms and Proverbs; debate and interpret the Law; show the ability to carry on the rabbi's teaching tradition (“yoke”).
- Bet Midrash (elite students): Students would look for a rabbi and ask the rabbi if they could follow him. If the Rabbi agreed, they would become his disciple and learn his teachings (his yoke).
