Text: Genesis 28:1-22

Dr. Stephen Burrell

- Don't try to fix spiritual failures with fleshly solutions.
- Repentance means turning to God, not just making human adjustments.
- Impulsive people driven by appetite will not lead God honoring lives.
- Temperance is one of the evidences of living a Spirit controlled life.
- Jesus as the true stairway.
- The entirety of the Christian life is built on belief in the faithfulness of God.
- Learning to trust God personally, not just intellectually.
- Trust God in the in-between.
