

# Biblical Stories of Grace

March 17, 2024 1 Corinthians 1:27-29 Dr. Stephen Burrell

God uses broken marriages.

God uses people who came out of crazy messed up families.

God uses faithful wives married to broken leaders.

God uses homes with disastrous beginnings.

God uses mixed faith homes

Where you are today - walk with God.

If you're rearing kids without a godly spouse - don't lose hope.

If your spouse makes foolish leadership decisions - don't lose hope - God uses people in stories like that.

Where you are today - do the best you can to create a God honoring home.

Where you are today - live with hope ... God uses all sorts of stories to do great things.

Don't write off your story.

Don't allow discouragement to set in.
