Text: John 15:1-17

What stood out to you from the Sermon?

What questions do you have from the Sermon?

When was a time where God was shaping you and you didn't like how he did it? Can you look back and see the good in his plan?

Who has been a person in your story (whether at this church or others) that has made you feel a part of the family of God?

Is there a person or people in your story that God has used to help shape you? Another way to put this, do you have someone in your life that you let speak biblical truth to you, even if it may be hard truth?

Who is someone you have gone out of your way to show them what it means to be a part of the family of God?

What is the area in our church where you feel called to play your part? How are you staying plugged in there or trying to to plug in there?

Spend time in prayer for each other and seek some accountability in whatever steps you feel led to by God to begin to take.
