- **The community is being IMPACTED by the church.**
- **Devoted to:**
 - **BIBLE STUDY**
 - **COMMUNITY**
 - **COMMUNION**
 - **PRAYER**
- **The new believer committed themselves to PRAYER.**
- **Prayer is our HOPE, our LIFELINE, our ACCESS, our restoration, our CONVERSATION.**
- **Every great movement of God started with PRAYER.**
- **Fellowship-(Koinonia) Its basic idea is sharing, but it is used also to denote INTIMACY and FELLOWSHIP in general.**
- **The community was in “awe” or FEAR.**
- **These people could sense that God was at WORK.**
- **The Church is accomplishing its mission- people are getting SAVED.**
- **The church was marked by so much unity that no one in the congregation lacked NECESSITIES.**
- **If the church is always TRYING to grow, WORKING to grow, PRAYING to grow.**
- **While we never compromise the gospel, we are also never SATISFIED with the number of people that we’re reaching.**
- **God is in the SOUL WINNING business and if we’re on God’s side- we’ll be in the soul winning business.**
