

WHY ARE YOU SO AFRAID?

May 5, 2024

Mark 4:35-40

Dr. Stephen Burrell

Jesus has power over.

Jesus stopped the storm.

Jesus asks – Why are you so afraid?

Fear is a matter of perspective.

From Jesus perspective – the chaos was completely within his power to manage.

Fear is a matter of faith.

If the responsibility to manage is ours – our limitations are on full display.

Fear is a matter of power.

Then we live anxious about something that may or may not even happen.

This makes us miss today.

Don't be anxious for the staples of life.
